

# How to Read a Case

# Agenda

Hammontree v. Jenner

ENORMOUS DISCLAIMER!

# Before you begin:

1. Connect with your core values.
2. Discern your immediate goal.

# Why take this preliminary step?

Connecting to core values makes the work easier and more fulfilling.

Discerning a goal allows you to focus your attention on what matters.

**There is no escape.**

**Stress is a very bad, no good  
motivator.**

# Values

Reading *Hammontree v. Jenner* for your 1L Torts Class

# Goals when reading a case

1. Grasp the internal logic and mechanics of the case.
2. Synthesize within a broader context.

**Why read cases?**

# Gaps, Contradictions, and Ambiguity

# Internal logic and mechanics of a case

1. Procedural posture
2. Legal question(s)
3. Relevant facts
4. Holding
5. Reasoning(s) behind the holding

# **Aside: How to take notes**

# Internal logic and mechanics of a case

1. Procedural posture
2. Legal question(s)
3. Relevant facts
4. Holding
5. Reasoning(s) behind the holding

# Oh My God, What is Happening?

I am sure that I'm going to get cold called to explain this and I don't even know what most of these words mean and how is that whole paragraph just one run-on sentence?

# Reasoning behind the holding
